PREMIUM '19

LIFETIME EDGE CHIP WARRANTY

Fulfilling the requirements of toughest standards, all Bonna items identified with "edge chip resistancy logo" are designed to use for years.

SUPERIOR STACKABILITY

Reliable stackability is a master goal we always keep in mind to give Horeca professionals practical solutions and extra space.

DURABLE BODY

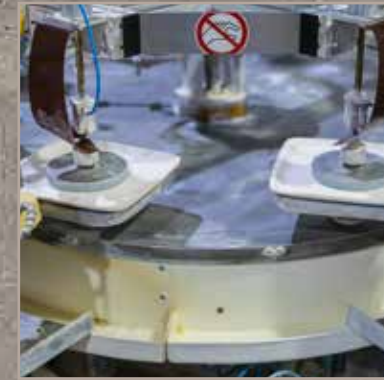

Beside aesthetics, all Bonna products are designed to give optimum balance between durability, stackability and lightness with an excellent vitrified porcelain body.

BRILLIANT TRANSLUCENCY

Translucency and elegant ivory whiteness are results of a deep Research and Development process. Ingredient formula we use gives a unique luminance to our products.

HIGH PERFORMANCE GLAZE

Premium ingredients mixed to form our craze resistant glaze shows a great performance against industrial dishwasher and abrasion caused by cutlery.

Welcomes you.

Bonna is the result of years of research and development creating a translucent, durable product. Produced with its unique clay mix Bonna sets a new quality standard for vitreous China with its superior, lustrous glaze. A high Alumina and Zirconium content makes Bonna the industry leader in durability. Its warm white colored body is translucent light and chip resistant. Our confidence in Bonna allow us to continue to offer our worldwide Lifetime Edge Chip Warranty. Applicable to all Bonna flat pieces as well as bowls marked with the warranty covers each item for life.

Bonna products from white to all colored pieces are resistant to thermal shock and they are microwave and dishwasher safe. Our unique formula allows Bonna to provide a superior scratch resistant surface.

 street food

Gökhan Tufan
Executive Chef at Radisson Blu / Istanbul

"Colours and hues on Bonna chinaware are well integrated and create a wonderful harmony with all kinds of displays. The depth and width of the bowls maintain a multipurpose functionality for our a la carte and banquet services. Marble themed form is nominated to be the new face of buffet displayware."

Tevfik Alparslan
Executive Chef at Topaz Restaurant / Istanbul

"I was impressed with Bonna's new design plates at first sight. Its colourful design and attractive patterns bring a new dimension of aesthetic to presentations. Scratch resistancy, machine wash durability and also the effect derived from translucency of the form turns Bonna into an elegant and yet enduring choice for all professional kitchens."

Hilal Özdek
Owner, Pastry Chef at La Patisserie Lune / Istanbul

"The most important thing for me is to create a happy environment in my patisserie. I want my customers to enjoy both the food and the setting. That's why I want my products to be light and fresh. Bonna chinaware elevated my desserts and provided a brighter presentation to the table with its colourful style and form. Edge chip resistancy brought the ultimate solution to our biggest problem in the kitchen and became my favourite feature of Bonna."

Musa Yener
Executive Chef at Crowne Plaza / Istanbul

On Bonna's plates you can keep your imagination wider and more comprehensive, but also make your meal pass a better quality time reflecting the table, and it becomes important for the chef's creativity. It was a pleasant experience for me.

Yavuz Taşdemir
Executive Sous Chef at Marriott Hotel / Istanbul

"Resolute form and edge chipping warranty of Bonna provide an undeniable contribution to our kitchen. With its functional products and carefully chosen colour range Bonna is surely going to be an irreplaceable choice for all chefs."

%100 Natural Acacia Wood

%100 Natural Acacia Wood

Care & Use Instructions

To keep wood from drying out and decrease the water absorption, board should be seasoned with a food-safe mineral oil before first use and periodically afterwards. Hand-wash with hot, soapy water. Dry thoroughly. Do not soak or submerge board in water. To sanitize, wash the board with a solution of one part vinegar to five parts water. Occasionally rub with a food-safe mineral oil to keep wood from drying out. Store in a dry area away from extreme temperatures.
